

The Redemptive Story...

Prelaunch: April- November 30, 2025.

THE REDEMPITIVE STORY OF CHRISTMAS!

What better time to celebrate the birth of Christ than at the time of his death, burial and resurrection.

“The Redemptive Story of Christmas,” a book about the birth of Christ and the people who lived in anticipation for it. The book just happened to be completed and published in a season where his death is being remembered. While the timing can be a bit daunting, I believe it is perfect because it is His timing. Christ had to be born so that he could die for humanity. Our hope for life everlasting is renewed daily and celebrations throughout the year. Christmas is the time of year we celebrate the birth of Christ and Easter, his death, burial, and resurrection.

Easter is a time of introspection. A time of fasting and praying for many Eastern as well as Western cultures regardless of their denominations and religious affiliations. The 40 days of self-denial and abstinence from food, social media, or whatever form that takes for you, serves as a reminder of the number of days Jesus, Elijah, and Moses, went without food. Life takes on different hues.

Colors of **Red**, **purple**, **lilac**, and white are worn to reflect their thoughts on the season. Wearing purple or lilac is associated with penitence and is usually worn on Good Friday. Red serves as a reminder of the shed blood of Christ for suffering humanity. Hebrews 9:22. Wearing white on Easter Sunday reflects the purity of the resurrection and the culmination of Easter as we know it. Regardless of the practice one chooses to observe at this time of year, one cannot deny the New Testament narrative that Jesus was born.

Product Description: The inspired God-breathed stories we read in the Holy Bible are still relevant today. I was invited to join a personal reading of Luke's narrative on the birth of Christ. I found it so intriguing that I began to look at Mathew's narrative as well. I found the roles of Anna and Simeon so cool, that I felt an internal prompting to take a retrospective glimpse of their earlier customs. Marriage is one example where girls in their pre-teen years were engaged to older men. They grew up anticipating their roles as women and mothers and would ultimately embrace them to the very end.

God handpicked Mary and Joseph to tell His redemptive story. How Jesus took on the form of humanity as a man, of the couple who would parent him, the Elders in the Temple who remained steadfast in their beliefs and unshakeable in the promises spoken by men of old that the Messiah would come, that he would be born, in Bethlehem, he would triumph over death and the grave. This evidence is scattered throughout the Bible. Genesis 12:3; Isaiah 7:14; Isaiah 9:6-7; Micah 5:2-5; Hosea 11:1. Does it matter what day He was born on? or the month of the year? I think not. The evidence remains alive in our hearts and lives that Jesus Christ was born indeed! Thank you! Grace Davidson (AKA GB/ Grace Baugh).
